INSCRIPTION GUIDELINES:

- The inscription will be confined to no more than three (3) lines on the standard sized brick and six (6) lines on the large brick.
- There can be a maximum of fifteen (15) characters on each line, including all letters, numbers, spaces and punctuation.
- In the case where the purchaser is a business or corporation, the inscription cannot contain logos, taglines, telephone numbers or other advertising.
- Acknowledging the feelings of some who believe it is disrespectful to walk over memorial sites, Lake Anne and RHT have agreed that the phrase “In Memory Of” and dates commemorating a person’s life span shall not be allowed. An example of acceptable language is: “To Our Loving Grandfather, 2008”
- The inscription cannot contain religious or political content or symbols.

Note: These guidelines were developed by the Lake Anne of Reston Condo Association (LARCA) and Reston Historic Trust (RHT) in 2009. Bricks purchased and installed prior to 2009 that do not fully comply with these guidelines may have been “grandfathered.”

ORDERING & INSTALLATION

RHT orders the commemorative bricks once (1) each year in mid-February. The bricks take 6-8 weeks to produce.

Ideally, the bricks will be delivered in time to be on-display for Founder’s Day in April, and then installed at Lake Anne Plaza shortly after (weather pending).

All inscriptions must be approved by RHT and LARCA. Both entities reserve the right to refuse language that is inconsistent with the guidelines or that they feel is inappropriate.

When possible, we will work with the purchaser to make acceptable adjustments to the inscription. If no compromise can be found, the individual brick order will be canceled and the price will be refunded to the purchaser.
